

**AWS Community Support
Volunteer Role Advert**

***** Volunteer Play and Youth Worker Required *****

Purpose: The Army Welfare Service Shorncliffe Community Support team in Dover are looking for a team of special people to support our Community Development Worker to deliver play work and youth work sessions

Location: Dover Community Centre, Burgoyne Heights, Dover, Kent.

Hours: One evening a week, Thursday evenings (term time) for either or preferably for both our Mini club (5-8-year-olds) 15:15pm – 17:15pm and/or Junior club (8-12-year-olds) 17:30 – 19:15pm. There will also be some opportunities during school holidays to support provision too.

Skills / Abilities required:

- A positive view of children and young people, and an appreciation of the challenges they face
- The ability to be patient and 'child focused'
- Reliability and punctuality is a must!
- Sense of humour is a definite bonus...
- Ability to be reflective and be professional, and to persevere if things do not work out as intended

Benefits of Volunteering:

- Chance to support children, young people and the British Army
- A great way to gain experience of working with young people, which can lead in to a variety of jobs/career paths
- Mandatory training in some areas, and an emphasis on self-directed training in line with the AWS training policy
- Great opportunity to make friends and get involved in the community

To receive your application form to become a volunteer with the Army Welfare Service, Community Support team in Burgoyne Heights, please contact Roxanne Frost, the Dover Community Development Worker, at:
