

DOVER FASTRACK PUBLIC INFORMATION NOTICE- DOVER ROAD CLOSURE

Dear Residents,

As stated in PIN #29, Dover Road will be closed for one day to complete the necessary remaining work that was not completed by the surfacing supplier. We now expect that this will take place on,

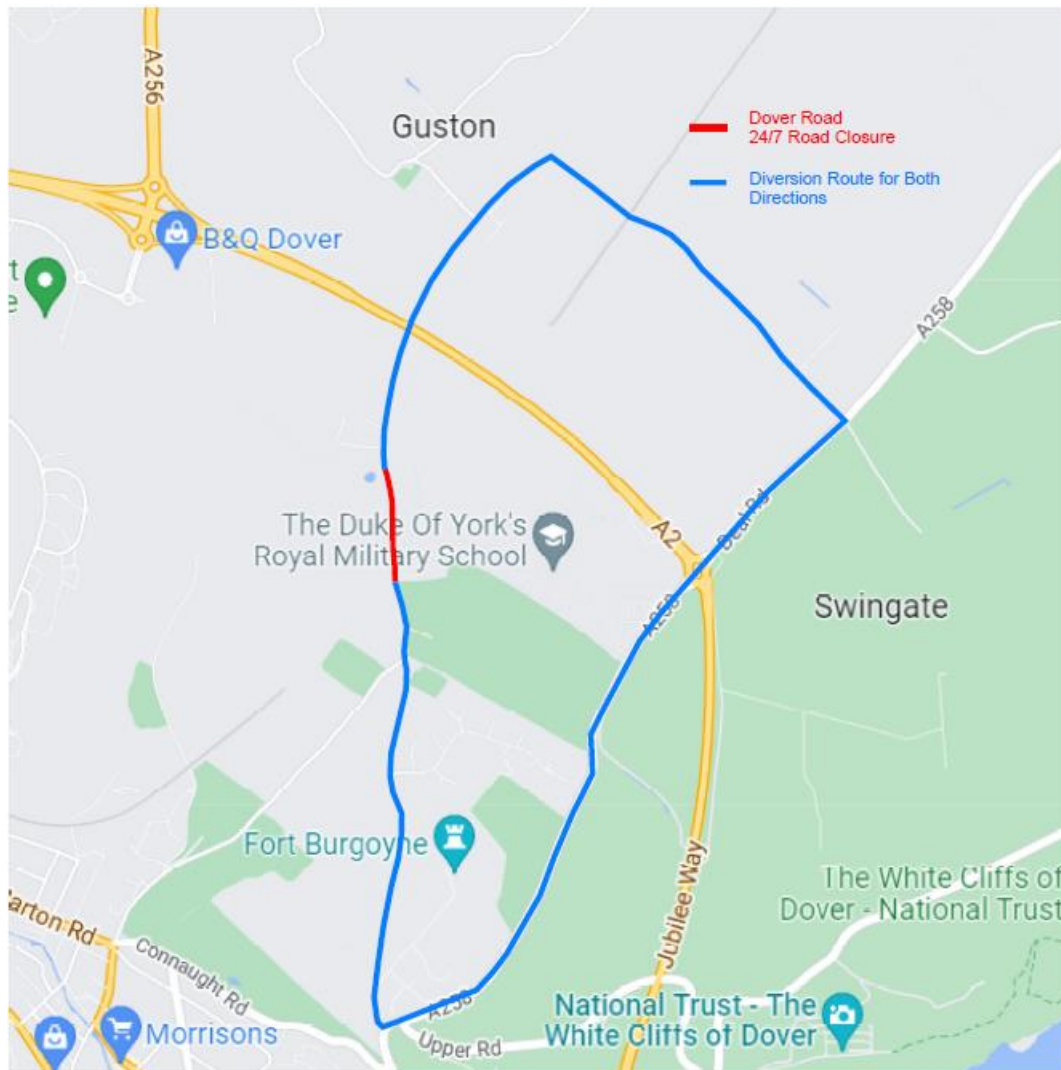

**Monday 9th January 2023,
between the hours of 7:30am and 4:30pm.**

This is subject to weather conditions, which we will be monitoring closely in the lead up to the work being carried out. If the work must be postponed due to bad weather, we expect that the work will take place on one of the following 4 days, up to and including Friday 13th January 2023. Notification of any changes to this will be distributed to residents.

A signed diversion will be in place when the work is being carried out. It will be a full closure without pedestrian access.

We apologise for the inconvenience caused and we thank you for your patience.
