

DOVER FASTRACK PUBLIC INFORMATION NOTICE- DOVER ROAD CLOSURE RESCHEDULED

Dear Residents,

Due to low temperatures this week, our surfacing supplier was unable to complete the surface course on Dover Road. This has now been rescheduled to take place on,

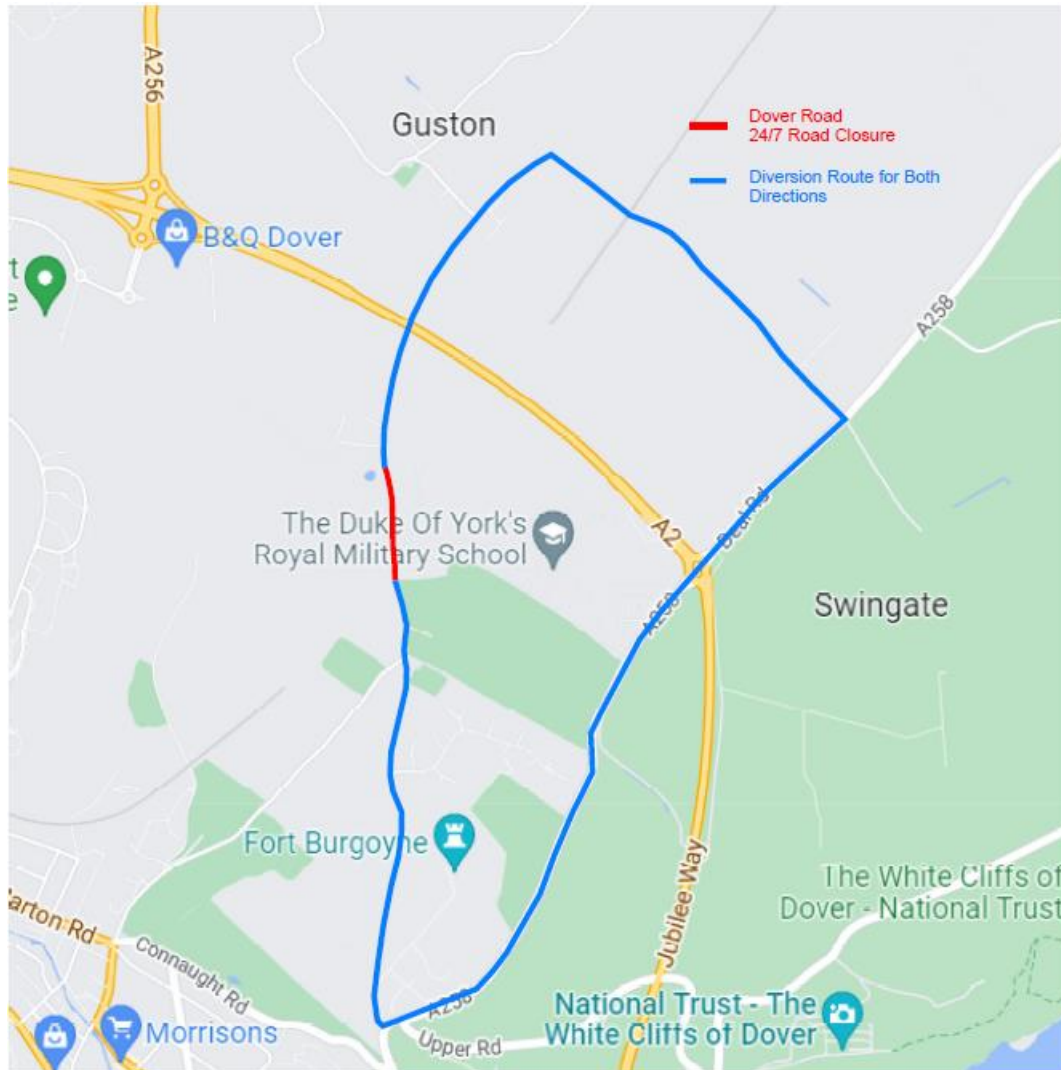

**Sunday 22nd January 2023
Between the hours of 9am and 5pm**

This is subject to weather conditions, which we will be monitoring closely in the lead up to the work being carried out. Notification of any changes to this will be distributed to residents. Noise levels will be monitored closely.

A signed diversion will be in place when the work is being carried out. It will be a full closure without pedestrian access.

We apologise for the inconvenience caused and we thank you for your patience.
